Project 2366—Crushed Granular Surfacing, Fort St. John Area, Clearview Stockpile Site and Rose Prairie Stockpile Site.

SEALED TENDERS, marked "Tender for Project 2366—Crushed Granular Surfacing, Fort St. John Area, Clearview Stockpile Site and Rose Prairie Stockpile Site," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, British Columbia, up to 2 p.m. (Pacific Standard time) on Friday the 3rd day of March 1972, and opened in public at that time and date. Tenders should be delivered to Room 237, Douglas Building, Victoria.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver 9, British Columbia (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver 9, British Columbia, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not

refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in an amount equal to 10 per cent of the tender price. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract. If a bid bond is supplied, this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

Tenders should be delivered to Room 237, Douglas Building, Victoria.

The contract shall consist of the construction of one, two, or three vessels. Each vessel shall have an over-all length of 157 feet and be capable of carrying 22 automobiles and 150 passengers.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver 9, British Columbia (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Each tender must be accompanied by a bid bond or a certified cheque in an amount equal to 10 per cent of the tender price. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract. If a bid bond is supplied, this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways shall have the right to forfeit the tender deposit in its full amount or to the extent of the differ-

ence in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
